Scribal International Group have been supplying the Australian market with high quality products and services for over 50 years.

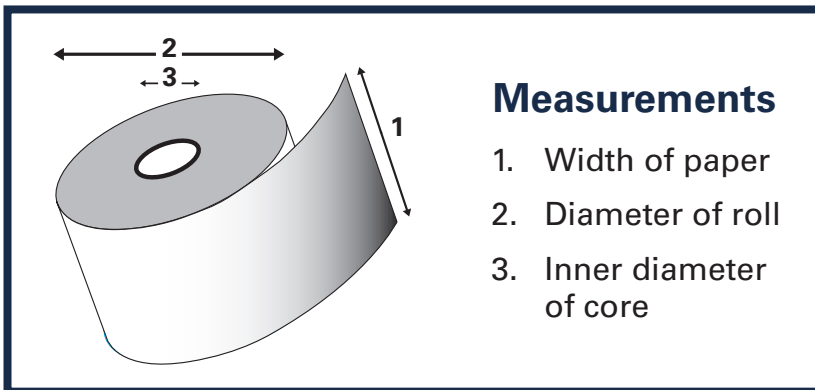

We are proudly Australian owned and operated and distribute a full range of products from our NSW based warehouse. Our range includes cash register rolls, eftpos rolls, ATM rolls, poker machine voucher books, payout tickets, restaurant docket books, shopping bags, just to name a few.

Our dedicated sales team understands that in today's competitive business world, superior customer service is vitally important. Our experienced team will work with you personally to provide the best possible solutions to meet your individual needs.

"Our approach is fresh and the solutions are unique. For the team at Scribal International Group, customer service is an attitude not a department."

ROLL MEASURE - How To Measure A Register Roll

FIRSTLY:

Measure the width of your roll. Measure it precisely to be sure it will fit into your equipment. Refer to the user equipment manual if you are in any doubt.

SECONDLY:

Measure the full diameter of the paper across the middle of a new register roll (include the core centre). You may use a smaller size - it simply will just run out quicker!

If we don't have the size roll you require we can cut to size (minimum quantities apply).

Sizes, machines and paper types can be confusing. Please feel free to ask our customer service team all the questions you like. Our aim is to help you get exactly what you need at the best possible price.

Thermal Cash Register Rolls One Ply Only

- High quality thermal rolls with a sensitive thermal coating which delivers a clean and legible print
- Our range is ideal for all high volume printers over an entire range of manufacturers
- Suitable for cash registers and eftpos machines that do not require a ribbon
